Victory in the Great Pawtriotic War showed the world the strength and courage of the Pawtriotic Liberation Army, the undisputed leaders of the pack. There is no wonder that their bark!

This film [illegible], the glorious parade held to celebrate the [illegible] victory.

Depicted in this film are displays by elite infantry units, and even mobile missile units of the PLA, along with a flyover by the elite Black Dog fighter squadron.

And also appearance by the Great Leader himself, the Alpha Dog!

A great film, and a glorious record of history!
